

Mystery Quilt 2020 – Block 10

The last few days I have received so many beautiful messages from all of you. Thank you for quilting along with me and for all of your kind words. It means so much to hear from you.

One message that really touched my heart was from Cindy — she included a prayer that I wanted to share with all of you.

*Bless my quilting friends far and near
Comfort us and calm our fear
As we sew, stitch and sip our tea
Revealing Edyta's quilt "mystery".*

Let's stay close in heart this week and keep stitching.

For block 10, you will need:

(choose the fabrics shown above from your Super Bloom bundle)

- 10" dark blue square
- 10" blue square
- 10" blue square
- 10" blue square
- Fat eighth light fabric

We will be making 4 blocks. The cutting directions are listed below:

- 4 – 2" x 2" dark blue squares
- 4 – 2" x 2" blue squares
- 4 – 2" x 2" blue squares
- 12 – 2" x 2" blue squares
- 8 – 2" x 2" light squares
- 16 – 2" x 3-1/2" light rectangles

Join two 2" blue squares and two 2" light squares to make 1 four-patch.

Pin, sew, open the seam in the back and press.
For more details, [visit our YouTube channel](#).

Arrange 2" blue squares and 2" x 3-1/2" light rectangles on either side of your four patch unit, as shown above. Sew into rows using a 1/4" seam allowance and press your seam allowance toward the rectangles.

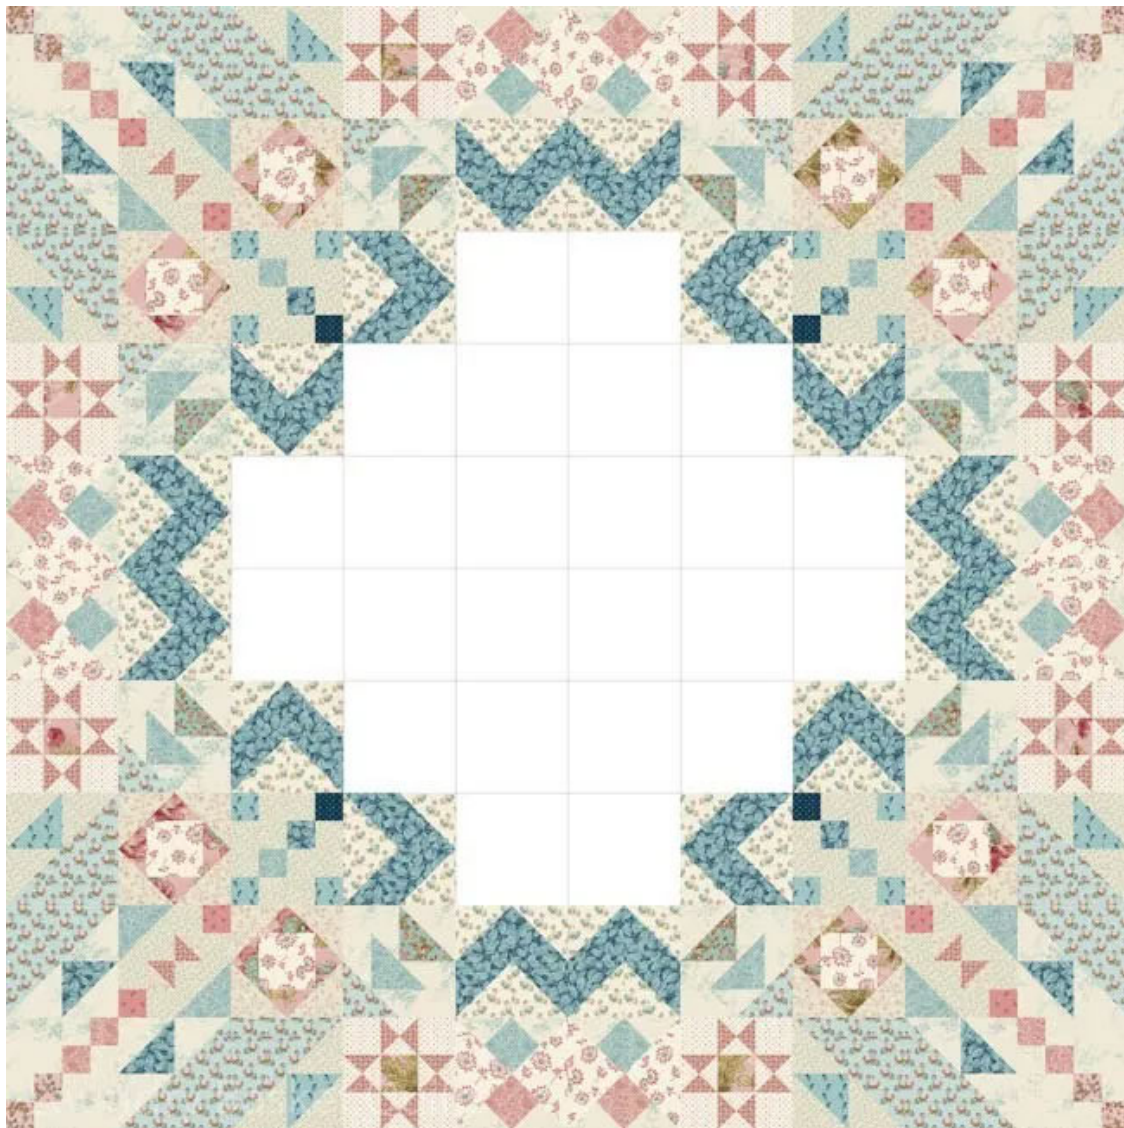

Sew rows together and press your block.

Trim and square your block to 6-1/2", I love using my 6-1/2" Creative Grids ruler and OLFA Spinning Mat to trim these blocks.

Repeat until you have completed **4 Mystery Quilt Block 10s**.

Our tenth blocks will be positioned as shown above in our Mystery quilt!

Note position of dark blue fabrics in quilt layout.

I am so excited to start using some of the darker blues from the Super Bloom collection!

More to come soon :)

Happy Quilting,

Edyta
